

# EV-Focus™

## Integrated Digital Media Display + EV Charging

Meet the latest, best-in-class integrated digital out of home advertising and EV charging solution.

The EV-Focus™ is offering high foot-traffic properties a dual revenue stream solution for monetizing their parking lots.

---

Dual purpose revenue generation

---

Single or dual-mount EV charging

---

Turnkey programmatic ad revenue

---

On-premise local ad roll

---

Slim, compact modern design

---

Tamper resistant; rated for indoor/outdoor use

---

Automated cable management (optional)

# EV-Focus™ Specifications

## Core Specifications

- Enclosure Dimensions: 75.52" (H) x 35.57" (W) x 11.94" (D)
- Display Dimensions: 54.6" / 138.7 cm
- Display Type: 120 Kz E-LED BLUE
- Display Resolution: 1920x1080 (16:9)
- Operation Hours: 24/7
- Operating Temperature: -300 to 500 C° / -220 to 1220 F°
- IP56 Ingress Protection, IK-10 Protective Glass
- Construction: Aluminum enclosure
- EVSE: Single or Dual Mount (Optional)
- EVSE Cable Retractor (Optional)
- Programmatic Advertising: Yes
- On-Premise Local Ad Roll: Yes

## Level 2 Charger Specifications

- Model Compatibility: EV-Flex, EV-Flex+, and EV-Fleet
- EV-Flex/EV-Flex Lite Dimensions = 11.14" H x 7.56" W x 3.11" D
- EV-Flex/EV-Flex Lite Weight = 11.64 lbs
- EV-Fleet Dimensions = 14.07" H x 10.63" W x 5.11" D
- EV-Fleet Weight = 30 lbs
- Weatherproof, NEMA 4 (IP66), IK10 tamper resistant
- Metering Accuracy = Embedded < ± 1%, CTEP, NTEP

## Electrical

- EV-Flex/EV-Flex Lite = 32 A / 7.68 kW max output, 60Hz
- EV-Flex+/EV-Flex Lite (Upgrade) = 40 A / 9.6 kW max output, 60Hz
- EV-Fleet = 80 A / 19.2 kW max output, 60Hz
- 208/240 VAC, single phase input

## Network Connectivity

- Built-in Wi-Fi (802.11 b/g/n)
- Built-in LTE for Cellular Variants
- OCPP 1.6 Communication Protocol

## Loop Network™

- Web-based Charger Management System (CMS)
- Mobile app (iOS/Android) for drivers
- Public or private network enabled
- Flexible network billing models (Pay Per Use, Fixed, Hybrid)
- Automated billing & real-time payment resolution

## Connector

- 25 ft. charging cable
- SAE J1772 Type 1 standard compliant

## Warranty

- 3-Yr Limited Product Warranty (Extended Warranties Available)

## Certifications & Standards

- UL, EnergyStar, CTEP, Open ADR 2.0B
